Job Description:

BlueRock Energy is seeking a motivated, goal oriented, coachable individual to fill an Energy Advisor position covering an assigned territory in the New York City area. This individual must have a confident, no fear attitude to develop and maintain their pipeline by prospecting in person, over the phone, as well as networking and producing referrals.

Energy Advisors with BlueRock Energy enjoy a highly competitive base salary, monthly uncapped commissions, monthly residual commissions, 401(k) program, health benefits, Company provided mobile phone, and laptop computer for home office use.

Major Responsibilities:

- * Prospect by foot and by phone daily to obtain new business in designated territory.
- * Present face to face with business owners.
- * Close commercial energy transactions with a consultative approach.
- * Present sales material in a highly ethical manner.
- * Communicate effectively with clients and prospects.
- * Capable of learning and explaining energy market developments to prospects.
- * Consistently achieve monthly sales goals.

Requirements:

- * Associates Degree or higher preferred.
- * Willing to train in the energy industry.
- * Experience in outside B2B consultative sales preferred, but not mandatory.
- * Aggressive, energetic, and highly motivated.
- * Positive thinker with strong work ethic and no fear attitude.
- * Self disciplined to work from home in a designated territory.
- * Ability to generate own prospect list and successfully complete on a daily basis.
- * Experience using a computer: Microsoft Office, Word, Excel, and Outlook.
- * Excellent oral and written communication skills.
